Total - 2103 km - not including drive-around bits at your leisure!!

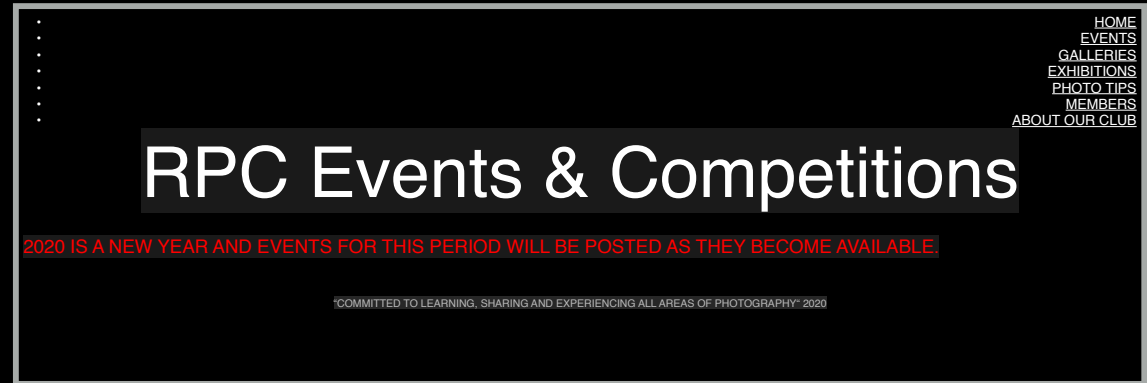

An aerial photograph of a vast, arid landscape. In the foreground and middle ground, there are several large, irregularly shaped bodies of water with a distinct reddish-brown hue, characteristic of iron-rich water. The surrounding terrain is a mix of reddish-brown soil, sparse green scrub vegetation, and darker, more vegetated areas. The background shows a flat expanse of land stretching to a distant, hazy horizon under a clear sky.

Lake Ballard
Golden Quest Discovery Tour

The Rockingham Photographic Club has been asked by the City of Rockingham to run a number of workshops to promote Act Belong Commit (placed on hold).
