Guest Judge

Please welcome Mike White

AIPP accredited professional photographer with over 35 years experience. As for photography, Mike bought his first camera (a Canon A1) in the early 1980s and was then hooked.

As a lover of the great outdoors, Mikes images tend to focus on any of the 'scapes' Land, sea, city, aerial, etc.

With the advent of the drone, Mikes focus has shifted slightly to aerial abstracts/scenes as this gives a whole new perspective for us to explore.
